PROJECTS

Island Guru | Deployed: island-guru.herokuapp.com | Code: github.com/kjhallam/island_guru
An Animal Crossing New Horizons App that will display helpful information to use during the game.
- Created a basic responsive website using Materialize CSS.
- Tools used Illustrator, Photoshop, CSS, HTML, jQuery, JavaScript.

TPoops App | Deployed: mkkp-project2.herokuapp.com | Code: github.com/kjhallam/P2-tpoops
TPoops was designed to allow the user to search for toilet paper within a given area and enter the location of toilet paper in which they located. (Allow for 30 seconds for page to load -- free service only)
- Created a basic responsive website using Materialize CSS.

Burger App | Deployed: burger-app-kjh.herokuapp.com/ | Code: github.com/kjhallam/13_burger
Eat-da-Burger was designed to allow the user to enter a burger of their choice and devoir it.
- Created using CSS, handlebars, express, Javascript, and jQuery.

EXPERIENCE

Digital Production Artist   2010 – 2020
Universal Engraving   Overland Park, KS
- Downloaded files from the FTP. Preflight checked files for production. Also, used a JavaScript automated process to convert files to high resolution bitmap images. Communicated with the both (U.S. and U.K. sales team) to meet deadlines. Projects completed daily approximately 100 (depending on file structure) and succeed to meet each deadline on a day to day basis.

EDUCATION

Certificate: University of Kansas, Overland Park, KS   03/2021
- A 24-week intensive program focused on gaining technical programming skills in HTML5, CSS3, JavaScript, jQuery, Bootstrap, Firebase, NodeJS, MySQL, MongoDB, Express, Handelbars.js, and ReactJS.

Master of Science Technology: Pittsburg State University, Pittsburg, KS
- Emphasis: Technical Teacher Education

Bachelor of Science Technology: Pittsburg State University, Pittsburg, KS
- Emphasis: Commercial Graphics
